

# Healthy Sexual **SOLUTIONS**

Healthy Sexual Solutions is a private counseling practice.

We offer professional counseling, consultation and intervention.

We provide confidential services and solutions for adults, adolescents and children regarding sexual disorders.

Our services include psychosexual evaluations, sexual interventions, and counseling and treatment for sexual addictions, sexual identity disorder, and adjudicated sex offenders.

Through our professional and compassionate treatment, we seek to help restore the individual's ability to engage in healthy personal relationships.
